# 3 Simple Options to Access Belbin

## 1 – Online Paypal / Credit Card purchase

Buy online from our store using PayPal / Credit Card (Belbin Australia is a subsidiary of Sabre Corporate Development / Adventure Conventions Pty Ltd). We then set up your own online “Working Account” which you can access online, has some basic admin features and that you can check progress with. Profiles come automatically to you as PDF files upon completion, and any required team reports upon request.

SIMPLY VISIT THE STORE AT - [www.Belbin.com.au](http://www.Belbin.com.au)

## 2 – Contact us first and then we’ll invoice you

Call or email us to discuss your needs, we can then invoice you (Belbin Australia is a subsidiary of Sabre Corporate Development / Adventure Conventions Pty Ltd) and when processed, tailor and set up your very own online “Working Account” which you can use to access and check progress. Profiles will come to you automatically upon completion as PDF files upon completion, and any required team reports upon request.

## 3 – Purchase your very own Belbin Interplace System

You will then have your own in-house capability to do everything. Set up your own working accounts, process profiles and infinite combinations of reports with complete access and control. Comes with a host of great functions and extras, with far cheaper per profile pricing and free team, relationship and job comparison reports (initial job requirements exercise equals one profile unit). Call or email to see if this is viable for you based on your anticipated usage.

# Belbin Individual Profiles and Reports

## **A/ Via your own online 'Working Account'**

We set up a sub account under our system for you. Including the full Belbin self-perception questionnaire conducted online; and 360° observer input (as required with standard online purchase system is set 4 Observers). Completed reports are sent to you and / or participants automatically as a PDF file (11-14 report pages depending upon whether SPI with OBS or SPI only).

### **Retail Rate for Online Sales / Working Accounts**

Up to 50 profiles: Aud \$83 per profile

50 – 99 profiles: Aud \$73 per profile

100 – 199 profiles Aud \$63 per profile

### **Special Belbin Accredited User Rate**

\$63 per profile flat rate

## **B/ Via your own full Belbin Interplace System**

Purchase of a full Belbin Interplace system gives you complete access and control to set up and administer all of your own Belbin profiling and reports along with many features and extras (adding your own logo to reports, video cameos, special features etc). Call or email to see if your planned use of Belbin makes this a viable option for you.

Initial system purchase and set up is for 200 units @\$45 per profile. This gives you the full system, all features and extras and 200 profiling units.

Aud \$9 000 (including full system functionality and 200 profiling units).

## Official Accreditation in Belbin (2 Day Course)

Whilst Accreditation is not mandatory to use Belbin, it is of course highly recommended if seeking to use the model optimally, at depth and with enhanced credibility. The two-day official Belbin Accreditation Course includes in-depth instruction in all aspects of the model and its uses, globally recognised certification, access to special resources and the right to use the Belbin “Accredited User” logo.

Aud \$2 000 per person

## A Belbin “How To” Session

These are half to one-day sessions that are tailored to bring new and existing Belbin users “up to speed” on how to understand the Model, interpret the profiles and reports and make practical use of the Model ongoing. This is a great option if you have people needing to get familiar with (or re- acquainted with) Belbin but not needing to be fully Accredited.

POA

## GetSet Profiles for Students

The very latest version of the Belbin profiles and reports for high school and university students (recommended age bracket 14 – 21years).

Designed, normed and scripted to help students identify and articulate their strengths. Comes complete with a comprehensive set of reports and inbuilt student workbook.

Up to 500 profiles: Aud \$24 per profile

501 - 1000 profiles: \$22 per profile

1000 plus profiles: \$20 per profile
